Dear Friends:

On behalf of the faithful of St George, welcome to our 24th annual Festival!

It was an exciting opportunity to plan this year's festival as we love to share our faith, our roots, our culture, and heritage with our community, especially after Covid 19 scrubbed our 2020 festival.

This year it is going to be no less than extraordinary. We are optimistic that it will be the best year ever.

Our festival fans returning to the festival will love our Middle Eastern music throughout the festival as well as appearances by our young dancers. Our music this year features Amin Sultan who hasn't performed at the St George Festival since our move to Fishers in 2013. Get ready for our young dancers to engage you in learning the Dabke as they invite you to join them on the dance floor.

In keeping with tradition, we prepared delicious dinners for you such as the ever-popular gyros, lamb shanks, grape leaves, Kafta, chicken Shawarma and falafel.

We also have our pastry shop with an extensive variety of sweets including Baklawa, honey balls, coffee, and outside a Beer and Wine bar.

The festival will also include our bookstore, 16 vendors, tours of our magnificent church, two children play areas, and you will love our new invented Marketplace "the Emporium" with its new purchasing options.

Our parishioners have one thing in common which is an overwhelming enthusiasm to welcome you and offer our St George hospitality, an eagerness perhaps matched by you, our festival patrons! Thank you for spending time with us.

We invite people of all ages to enjoy the many aspects of our festival. Everyone here at St. George have been working tirelessly to present our 2021 festival to you. We are enormously proud of our executive committee, and grateful to our volunteers, cooks, sponsors, and supporters who have made this festival not only possible but safe, engaging, and entertaining.

We welcome you all, and please have fun and enjoy yourselves!

With gratitude,
Fr Anthony G. Yazge
Pastor

William Kaleel Nasser MD

June 3, 1933 - September 2, 2005

Dr. William (Bill) K. Nasser is regarded by his physician colleagues as Indiana's "father of cardiology" and his legacy continues today at Ascension St. Vincent and throughout Indiana as part of many patient's bedside care experience. Providing the highest standards of healthcare for patients regardless of age, gender, race, religious or socioeconomic situation reflect Dr Nasser's dynamic, unrelenting positive mental attitude to his approach on healing as a true servant leader.

In honor of this legendary physician, his family and friends in partnership with Ascension Health dedicated the William K. Nasser MD Healthcare Education and Simulation Center in June of 2018 on the campus of Ascension St Vincent Hospital.

Dr William K. Nasser is the proud son of Christian Syrian-American immigrant parents who arrived in Terre Haute, Indiana in the early 1900's to live the American dream. Having fulfilled innumerable epic accomplishments, Dr. Nasser touched countless lives during his career prior to his death. As a Syrian-American, his family along with members of St. George Orthodox Church celebrate our heritage and are proud to be Americans. The St. George Festival honors this heritage with our community. Dr. Nasser himself dedicated his life to "treat everyone as he would want to be treated." May his memory be eternal.

About St. George Church

Founded 95 years ago by Christian families from the Middle East who settled in Central Indiana in the early 1900s, St. George Orthodox Church has been an active participant in the local community since its first home was erected at 28th and Sherman Drive in 1926. As our parish has grown and now includes members of diverse backgrounds, we relocated to the present location, in Fishers, in 2013.

Church History in a Nutshell

After Jesus' Resurrection, the Apostles, the eyewitnesses of the Risen Christ, went into all the world, preaching, teaching and baptizing (Matthew 28.19-20). They spread out from Jerusalem across the whole known world.

There was basically one Church, with several regional administrative centers, until the 'Great Schism' that happened in 13th century, when the Church of Rome separated. A subsequent division within the Church of Rome, known as the Protestant Reformation, took place in the 16th century and resulted in the many of denominations we know today.

Our bishop is a member of the Council of the same Antioch "*where they were first called Christians*" (Acts 11.26). There are about 300 million Orthodox Christians worldwide, with three million in North America.

Icons

Entering a traditional Orthodox church building, one is immediately struck by the presence of icons of Christ and the saints all around. This is 'theology in color,' and one perceives being "*surrounded by so great a cloud of witnesses*" (Heb. 12.1).
