Dear Friends:

On behalf of the faithful of St George, welcome to the St George Middle Eastern Festival!

It was an exciting opportunity to plan this year's festival as we love to share our faith, our roots, our culture, and heritage with our community. We are so blessed to have you visiting our community this weekend. To make your experience enhanced this year we have added our festival app you may download.

We are thrilled to share with you our love of Middle Eastern music throughout the festival. Our music this year features David Hakim and his band. This year we are pleased that returning this year for your entertainment the Mawtini Dabke Troupe from Detroit will perform on Friday and Saturday. Get ready to join them in learning the Dabke as they invite you to be with them on the dance floor.

In keeping with tradition, we prepared delicious dinners for you such as the ever-popular gyros, lamb shanks, grape leaves, Kafta, kibbee, chicken Shawarma and falafel.

We also have our pastry shop with a wide variety of Middle Eastern sweets including the well known favorite - Baklawa as well as Kanafeh and much more. Other treats include honey balls, coffee, and outside a Beer and Wine bar.

The festival will also include our bookstore, a number of vendors, tours of our magnificent church with our recently completed iconography, the children's amusement area, and you will enjoy our Marketplace "the Emporium" with its different purchasing options and the Silent Auction.

Our parishioners have one thing in common which is an overwhelming enthusiasm to welcome you and offer our St George hospitality, an eagerness perhaps matched by you, our festival patrons! Thank you for spending time with us.

We invite people of all ages to enjoy the many aspects of our the festival. Everyone here at St. George have been working tirelessly to present the St George Middle Eastern Festival for you. We are enormously proud of our executive committee, and grateful to our volunteers, cooks, sponsors, and supporters who have made this festival not only possible but safe, engaging, and entertaining.

We welcome you all, and please have fun and enjoy yourselves!

With gratitude,
Fr Anthony G. Yazge

William Kaleel Nasser MD June 3, 1933 - September 2, 2005

Dr. William (Bill) K. Nasser is regarded by his physician colleagues as Indiana's "Father of Cardiology". Having fulfilled innumerable, epic accomplishments prior to his death, Dr. Nasser touched countless lives during his storied career. His legacy continues today at Ascension St. Vincent and throughout Indiana as part of many patient's bedside care experiences.

In honor of this legendary physician, his family and friends, in partnership with Ascension Health, dedicated the William K. Nasser MD Healthcare Education and Simulation Center in June of 2018 on the campus of Ascension St. Vincent Hospital 86th Street. By educating the next generation of medical professionals on how to provide the highest standards of healthcare for patients regardless of age, gender, race, religious or socioeconomic situation, Dr. Nasser's dynamic and unrelenting positive mental attitude to his approach on improving quality of life continues to demonstrate his nature as a true servant leader. To this end, Dr. Nasser dedicated his life to the philosophy to "treat everyone as he would want to be treated."

Dr. William K. Nasser is the proud son of Christian Syrian-American immigrant parents who arrived in Terre Haute, Indiana in the early 1900's to live the American dream. His parents' humble beginnings started in Ein-el-Shara, Syria (1 hour south-west of Damascus), a mountain village near the Lebanese border. On their journey to America, they traversed the rugged terrain of the Jebel Sheikh mountain range and traveled to the Port of Beirut, Lebanon to board a ship while overcoming incredible odds with little money and not speaking any English. As a Syrian-American, his family along with members of his church family at St. George Orthodox Church, celebrate our heritage as proud Americans. The St. George Middle Eastern Festival honors Dr. William K. Nasser's heritage within our community. May his memory be eternal.

About St. George Church

Founded 96 years ago by Christian families from the Middle East who settled in Central Indiana in the early 1900s, St. George Orthodox Church has been an active participant in the local community since its first home was erected at 28th and Sherman Drive in 1926. As our parish has grown and now includes members of diverse backgrounds, we relocated to the present location, in Fishers, in 2013.

Church History in a Nutshell

After Jesus' Resurrection, the Apostles, the eyewitnesses of the Risen Christ, went into all the world, preaching, teaching and baptizing (Matthew 28.19-20). They spread out from Jerusalem across the whole known world.

There was basically one Church, with several regional administrative centers, until the 'Great Schism' that happened in 13th century, when the Church of Rome separated. A subsequent division within the Church of Rome, known as the Protestant Reformation, took place in the 16th century and resulted in the many of denominations we know today.

Our bishop is a member of the Council of the same Antioch "*where they were first called Christians*" (Acts 11.26). There are about 300 million Orthodox Christians worldwide, with three million in North America.

Icons

Entering a traditional Orthodox church building, one is immediately struck by the presence of icons of Christ and the saints all around. This is 'theology in color,' and one perceives being "*surrounded by so great a cloud of witnesses*" (Heb. 12.1).

Charity Ministry of St George Orthodox Church

OUR MISSION is to continue Christ's mission of love and mercy on earth with our goal to transform hurt into hope.

The Holy Great-Martyr George

This glorious and victorious saint was born in Cappadocia, the son of wealthy and virtuous parents. His father suffered for Christ, and his mother then moved to Palestine. When George grew up he entered the military, where he attained, in his twentieth year, the rank of tribune, and as such he was in the service of the Emperor Diocletian. When Diocletian began his terrible persecution of Christians, George came before him and courageously confessed that he was a Christian. The emperor had him thrown into prison and ordered that his feet be placed in stocks and that a heavy stone be placed on his chest. After that, the emperor commanded that George be tied to a wheel, under which was a board with large nails, and he was to be rotated until his whole body became as one bloody wound. After that, they buried him in a pit with only his head showing above the ground, and there they left him for three days and three nights. Then George was given a deadly poison to drink by a magician. But through all of these sufferings, George continuously prayed to God, and God healed him instantly and saved him from death, to the great astonishment of the people. When he also resurrected a dead man through his prayers, many accepted the Christian Faith. Among these were Alexandra, the wife of the Emperor Diocletian; the chief pagan priest; the farmer Glycerius; and Valerius, Donatus and Therinus. Finally the emperor commanded that George and his own wife Alexandra be beheaded. Blessed Alexandra died on the scaffold before being beheaded, and St. George was beheaded in the year 303 A.D. The miracles which have occurred over the grave of St. George are countless. Numerous are his appearances, both in dreams and openly, to those who, from that time to today, have invoked him and implored his help. Inflamed with love for Christ the Lord, it was not difficult for this saintly George, for the sake of this love, to leave all: rank, wealth, imperial honor, his friends and the entire world. For this love, the Lord rewarded him with a wealth of unfading glory in heaven and on earth, and with eternal life in His kingdom. In addition, the Lord bestowed upon him the power and authority to assist all those in afflictions and difficulties who honor him and call upon his name.
