Dear Friends:

On behalf of the faithful of St George, welcome to the St George Middle Eastern Festival!

We are delighted to host our annual festival as we love to share our faith, our roots, our culture, and heritage with our community. We are so blessed to have you visiting our community this weekend. To make your experience enhanced this year we have added our festival app you may download.

We are thrilled to share with you our love of Middle Eastern music throughout the festival. This year we are happy to bring back David Hakim and his band. Also returning this year for your entertainment is the Mawtini Dabke Troupe from Detroit. They will perform on Friday and Saturday evenings. Get ready to join them in learning the Dabke as they invite you to the dance floor.

In keeping with tradition, we prepared delicious dinners for you such as the ever-popular gyros, lamb shanks, grape leaves, Kafta, kibbee, chicken Shawarma, falafel and rice bowls.

We also have our pastry shop with a wide variety of Middle Eastern sweets including the well known favorite - Baklava as well as Kanafeh and much more. Other treats include honey balls, coffee, and outside a Beer and Wine bar.

The festival will also include our bookstore, a number of vendors, tours of our magnificent church with the beautiful iconography, the children's amusement area, and you will enjoy our Silent Auction and Marketplace "the Emporium" with its different purchasing options.

Our parishioners have one thing in common which is an overwhelming enthusiasm to welcome you and offer our St George hospitality, an eagerness perhaps matched by you, our festival patrons! Thank you for spending time with us.

We invite people of all ages to enjoy the many aspects of our the festival. Everyone here at St. George has been working tirelessly to present the St George Middle Eastern Festival for you. We are enormously proud of our executive committee, and grateful to our volunteers, cooks, sponsors, and supporters who have made this festival not only possible but safe, engaging, and entertaining.

We welcome you all, and please have fun and enjoy yourselves!

With gratitude,
Fr Anthony G. Yazge

William Kaleel Nasser MD June 3, 1933 - September 2, 2005

Dr. William (Bill) K. Nasser is regarded by his physician colleagues as Indiana's "Father of Cardiology". Having fulfilled innumerable, epic accomplishments prior to his death, Dr. Nasser touched countless lives during his storied career. His legacy continues today at Ascension St. Vincent and throughout Indiana as part of many patient's bedside care experiences.

In honor of this legendary physician, his family and friends, in partnership with Ascension Health, dedicated the William K. Nasser MD Healthcare Education and Simulation Center in June of 2018 on the campus of Ascension St. Vincent Hospital 86th Street. By educating the next generation of medical professionals on how to provide the highest standards of healthcare for patients regardless of age, gender, race, religious or socioeconomic situation, Dr. Nasser's dynamic and unrelenting positive mental attitude to his approach on improving quality of life continues to demonstrate his nature as a true servant leader. To this end, Dr. Nasser dedicated his life to the philosophy to "treat everyone as he would want to be treated."

Dr. William K. Nasser is the proud son of Christian Syrian-American immigrant parents who arrived in Terre Haute, Indiana in the early 1900's to live the American dream. His parents' humble beginnings started in Ein-el-Shara, Syria (1 hour south-west of Damascus), a mountain village near the Lebanese border. On their journey to America, they traversed the rugged terrain of the Jebel Sheikh mountain range and traveled to the Port of Beirut, Lebanon to board a ship while overcoming incredible odds with little money and not speaking any English. As a Syrian-American, his family along with members of his church family at St. George Orthodox Church, celebrate our heritage as proud Americans. The St. George Middle Eastern Festival honors Dr. William K. Nasser's heritage within our community. May his memory be eternal.

About St. George Church

Founded 96 years ago by Christian families from the Middle East who settled in Central Indiana in the early 1900s, St. George Orthodox Church has been an active participant in the local community since its first home was erected at 28th and Sherman Drive in 1926. As our parish has grown and now includes members of diverse backgrounds, we relocated to the present location, in Fishers, in 2013.

Church History in a Nutshell

After Jesus' Resurrection, the Apostles, the eyewitnesses of the Risen Christ, went into all the world, preaching, teaching and baptizing (Matthew 28.19-20). They spread out from Jerusalem across the whole known world.

There was basically one Church, with several regional administrative centers, until the 'Great Schism' that happened in 13th century, when the Church of Rome separated. A subsequent division within the Church of Rome, known as the Protestant Reformation, took place in the 16th century and resulted in the many of denominations we know today.

Our bishop is a member of the Council of the same Antioch "*where they were first called Christians*" (Acts 11.26). There are about 300 million Orthodox Christians worldwide, with three million in North America.

Icons

Entering a traditional Orthodox church building, one is immediately struck by the presence of icons of Christ and the saints all around. This is 'theology in color,' and one perceives being "*surrounded by so great a cloud of witnesses*" (Heb. 12.1).
